PETITIONER'S COMMENTS

Please accept these comments as restated below from
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 265A to Millerton, Oklahoma as that community's first local FM service. Millerton, Oklahoma is an incorporated community with a population of 359 people.¹ Millerton has its own mayor, Buck Irwin, its own volunteer fire department,² city offices, post office³ and a number of local churches. Millerton is a community that is certainly deserving of a local FM service. The proposed channel 265A will provide additional diversity and an outlet for local self-expression to Millerton residents and therefore is in the public interest.

Should this petition be granted and Channel 265A is allotted to Millerton, Oklahoma, Petitioner will apply for Channel 265A at Millerton and after it is authorized, will promptly construct the new facility.
